Dr. D. Raghavendra Rao.—No. The question is how many cases of attack by rabies were treated and not dog-bites.

Mr. T. A. Ramachandra Ayyar.—May I know the difference between the two?

Dr. D. Raghavendra Rao.—One is dog-bite and the other is after the patient has developed symptoms of hydrophobia.

Mr. T. A. Ramachandra Ayyar.—After the dog-bite is not the patient affected by that as soon as he is bitten by a dog?

Dr. D. Raghavendra Rao.—The patient is affected. But there is a certain amount of incubation period, when he does not show any sign.

Mr. T. A. Ramachandra Ayyar.—He is suffering from the disease even before the symptoms made their appearance.

Dr. D. Raghavendra Rao.—It is not a case of disease. The disease lies dorment in the man.

Tour to Poringalkuthu

155. Mr. T. A. Ramachandra Ayyar.—Will the Government be pleased to state the total amount of expenditure incurred on account of the tour of the late Diwan Mr. Narayana Ayyar to Poringalkuthu and that by the present Diwan respectively?

Rama Varmha Tampuran.—With regard to the first part of the question the Member is referred to the answer to Question No. 366 of the Legislative Session of 1105. No expenditure was incurred in connection with the tour of the present Diwan.

Mr. T. A. Ramachandra Ayyar.—There the expenditure is Rs. 1,300 and odd. Here there is no expenditure. May I know the reason for this glaring difference?

Rama Varmha Tampuran.—So far as I have been able to gather, on the first occasion they had to clear the pathway, put up some sheds and make other things so that the place may be made habitable. The second time I do not think they had to incur any expenditure on that account, because the Survey party was already camping there.

Complaints against Government servants for taking part in Legislative Council Election.

156. Mr. T. A. Ramachandra Ayyar.—Will the Government be pleased to give a list of Government servants against whom complaints were received by Government for

taking part in the election of the Legislative Council in 1106 and the action taken against each?

Rama Varmha Tampuran.—

1. The Kariakar of the Triprayar Devaswam.
2. The District Registrar of Kuzhuppilli.
3. Mr. T. Kunjunni Menon, Deputy Inspector of Schools.
4. Mr. T. S. Appu Ayyar, Headmaster, High School, Trippunittura.
5. One of the teachers of the Irinjalakkuda High School.

Orders were issued prohibiting Government servants and employees of Municipalities and Panchayats from interfering in the course of elections.

No. 4 was transferred from the school.

In the case of (3) & (5) the matter is under correspondence.

Mr. T. A. Ramachandra Ayyar.—Is this list exhaustive?

Rama Varmha Tampuran.—Yes.

Mr. T. A. Ramachandra Ayyar.—Were there no complaints made to the Heads of Departments also?

Rama Varmha Tampuran.—I am sorry I have no information on that.

Mr. T. A. Ramachandra Ayyar.—How does the Government say that the list is exhaustive?

Rama Varmha Tampuran.—We were guided by the words of the Government. The general impression is that it meant the Diwan or the Huzur Office.

Mr. T. A. Ramachandra Ayyar.—Are not the Heads of the Departments part of the Government?

Rama Varmha Tampuran.—It is very difficult to define the word Government. I suppose by that it was meant only the Diwan or the Huzur Office. We were guided by that.

Dr. A. G. Menon.—On a matter of correction. The late President once said that Government means the Diwan.

Mr. T. A. Ramachandra Ayyar.—(4) Who received the complaint?

Rama Varmha Tampuran.—This was received by the Director of Public Instruction.

Mr. I. N. Menon.—The complaint was received by me and an anonimous petition was also sent to the Diwan which was sent to me for inquiry and remarks.

Mr. T. A. Ramachandra Ayyar.—Was he transferred after making inquiries?

Mr. I. N. Menon.—He was transferred, but not immediately, because at the time the school was going to be closed.
